Re: Recommendation for KGNC

To Whom It May Concern:

We have been doing business with KGNC since March 2014. We are very pleased with the working relationship with KGNC, and the marketing campaigns they created.

The entire staff at KGNC are amazing! They are diligent in working to get what their listeners need to hear regarding our business. Many people have no idea what to do if they are involved in a car collision. KGNC helps us educate listeners and inform them there is help for them at our law firm.

The staff at KGNC are like family to us. We have had the pleasure of meeting with them on several occasions, and they are always ready to listen and act on our needs. Karen Dennis, their sales representative, has made it a part of her routine to check with us weekly and to make sure everything is going well. KGNC is concerned about our marketing strategies and does not hesitate to share their suggestions and expertise.

We highly recommend KGNC to any business seeking to grow their business.

Sincerely,

  
Melanie S. McMillen Hunter

Dear Muff,

This is a personal letter of recommendation for Karen Long. I have known and worked with Karen for 20+ years, since she worked at Amarillo National Bank, and now with KGNC. She is very dedicated to her job; she takes personal pride in making sure everything is done right the first time. I highly recommend her for any position that you have available.

Sincerely,
